LCS Kitchen Renovation Request for Bids

Limestone Community School is seeking bids from competent contractors to renovate the kitchen area within the school. Due to the short window that both schools are out for Winter Break, work will begin on December 20, 2021 and must be substantially completed by December 31, 2021. The project outline is as follows:

- Remove and frame to close one serving window
 - Repair Counter area from removed serving window
 - Remove and frame to close one vent between custodial area and kitchen area
 - Cover all cement block walls within kitchen area with RFP paneling and finish trim
 - Replace existing wood backsplash over wash sinks with PVC board
 - Paint kitchen floor with anti-slip commercial kitchen grade floor enamel of neutral color
 - Paint and convert existing 2x4 tile ceiling to 2x2 tile ceiling
 - Replace all ceiling tiles with Armstrong Kitchen Zone white tiles.
- (*An equivalent USDA approved tile may also be substituted upon approval)

Please note that removal and moving of some equipment will be necessary to allow work to be completed. Interested parties should contact Chris Kilcollins, Business Manager, at the school to setup a time for a project walk-through.

Bids for this project must be submitted and received by November 12, 2021 at Noon
The winning bid will be notified by close of business Monday, November 15, 2021.
