

Limestone Community School is accepting applications for the following anticipated position for the 2024-2025 school year:

Third Grade Classroom Teacher

Limestone Community School shares a beautiful facility with The Maine School of Science and Mathematics. We have an all-day PreK and K program, a vibrant outdoor learning program, and a refurbished indoor swimming pool. The Pre-K to 8 school is looking for an innovative and creative person to fill this open position and help develop a school that continues to do “what’s best for kids” with its existing staff.

Preference will be given to teachers with appropriate certification, but will consider others who are “certifiable.” Interested candidates are encouraged to apply as soon as possible.

For more information or to discuss this possibility, contact Principal Ben Lothrop at (207) 325-4700 or (207) 554-6794. You may download the application at [www.lcseagles.org/job-opportunities](http://www.lcseagles.org/job-opportunities).

Application packets can be mailed to:

Limestone Community School  
Attn: Principal, Ben Lothrop  
93 High Street, Limestone, ME 04750

OR email [blothrop@lcseagles.org](mailto:blothrop@lcseagles.org)

Applications close when a suitable candidate is found.
